Happy New Year!

*“Another fresh new year is here...
another year to live! To banish worry, doubt,
and fear, to love and laugh and give! This
bright new year is given us to live each day
with zest...*

*to daily grow and try to be our highest and
our best!*

*We have the opportunity once more to right
some wrongs, to pray for peace to plant a tree,
and sing more joyful songs!”*

A Note from Stephen

Hello Residents and Families,
Happy New Year!

Good bye 2011. Hello 2012.

Thanks for all your support throughout 2011. I enjoy being with you and sharing my music with you. What would we do without music? This month we will be using some new activities. I can't wait to bake cinnamon rolls for us. I can smell them now. Mmmmmm good! Don't worry,

I'll make enough for all of us.

I wish you and your family and friends the best this year. I'll keep playing for you if you keep singing. I know Clarence will continue playing his harmonica, too.

The days are getting longer and it won't be long and we'll be outside soaking up the sun and riding in our new bus on some fun outings.

That's all for now. Keep smiling. It spreads.

Have a good month. Stay positive. Stay happy.
