

## Thoughts on Love

“I asked my wife, “Where do you want to go for our anniversary?” She said, “Somewhere I have never been!” I told her, “How about the kitchen?”

My wife and I have the secret to making a marriage last. Two times a week, we go to a nice restaurant, a little wine, good food... She goes Tuesdays, I go Fridays.”

## HISTORY OF PRESIDENTS' DAY

Presidents' Day is celebrated on the third Monday in February. It is in honor of two of our greatest Presidents, George Washington and Abraham Lincoln, as well as all others who have served in the highest office throughout our history. Originally, a holiday was observed in 1832 on the 100th anniversary of George Washington's birthday. In 1968, Congress passed legislation placing all federal holidays on Mondays, And in 1971, President Richard Nixon combined Washington's and Lincoln's birthdays into President's Day, to be celebrated on the third Monday in February...

### LITTLE VALENTINE POETRY VALENTINE'S DAY

If I could be the mailman for just one single time, I'd choose to carry valentines so lovely and so fine. I would not mind the heavy load or mind my aching feet If I could scatter happiness all up and down the street!!

### VALENTINE'S MIX UP

I climbed up the door and shut the stairs. I said my shoes and took off my prayers. I shut off the bed and climbed into the light. And all because you kissed me goodnight!!
