I hope everyone has been staying warm and safe with the snow and ice.

It has been very exciting for me to get to know you one by one. I have had the pleasure of visiting with several of you in your apartments and want to thank all of you for your warm welcome. FEBRUARY BIRTHDAY'S

Jean H.-6th
Eileen G.-22nd

If I could be the mailman for just one single time, I'd choose to carry valentines so lovely and so fine. I would not mind the heavy load or mind my aching feet If I could scatter happiness all up and down the

street!!

VALENTINE'S MIX UP

I climbed up the door and shut the stairs. I said my shoes and took off my prayers. I shut off the bed and climbed into the

light. And all because you kissed me goodnight!!

HISTORY OF PRESIDENTS' DAY

Presidents' Day is celebrated on the third Monday in February. It is in honor of two of our greatest Presidents, George Washington and Abraham Lincoln, as well as all others who have served in the highest office throughout our history. Originally, a holiday was observed in 1832 on the 100th anniversary of George Washington's birthday. In 1968, Congress passed legislation placing all federal holidays on Mondays, And in 1971, President Richard Nixon combined Washington's and Lincoln's birthdays into President's Day, to be celebrated on the third Monday in February...
