~Welcome to our Newest Resident!~

Inez Guentzel

Experience the Earthworks Farmer's Market!

Experience the sights and sounds of our very own Farmer's Market here at Keystone! Stop by every Monday (weather permitting) in the main parking lot beginning June 6 through the end of summer! A variety of flower, fruits, vegetables, baked goods and so much more available for purchase or just stop by and browse! Invite your family and friends! Many thanks to Earthworks Gardens of St. Peter!

~A Note from John, Activity Director~

Happy summer. This is the official month summer begins and we are going to celebrate! What a great month this season is for being outdoors, time with family and friends, BBQ's, parades, fishing, traveling, gardening and so much more! We also celebrate Father's Day on June 19. We have several Fathers & Grandfathers in our midst, so we honor them for playing such an important role in the lives of their family members. Please don't forget to join us for our Father's Day Sports Extravaganza on June 16! June is full of exciting music opportunities and don't forget to enjoy our scenic drives and stop at Dairy Queen. Enjoy time spent with your family and friends this month.
