This month we celebrate National Assisted Living Week! What an exciting time to take pride in not only our Keystone Community but pride in our country the U.S.A. This is a time to reflect on the freedom we as Americans possess and to also remember the lives lost on that tragic day of 9/11. Join us as we honor our American heritage and honor all our family and friends as we engage in a week filled with exciting activities and programs here at Keystone Communities of Mankato!
